Principal's Message

Dear Parents and Carers

Term four has been characteristically busy, with Swim Scheme, councillor speeches, Kickstart to Kindy and much much more!

Kickstart to Kindy – Our second transition session was held last Monday. It was great to see such a massive turnout of parents on the day. We encourage parents and carers of 2019 kindergarten students to come along to all sessions. Our final transition session is on Monday 26 November at 9.30am.

P&C Meeting – Our final P&C meeting for 2018 will be held on Monday 26 November at 6pm. All welcome.

Parent Helper Morning Tea – Invitations are going out to our special parent helpers to thank them for all they do to support our students and staff throughout the school year. We rely on the generosity of our helpers to run a whole range of programs at the school and we couldn't do what we do without them!

Gold Assembly – Our annual Gold Assembly will be on Thursday 6 December from 9:30am in the school hall. Students who are receiving an award will be provided with an invitation. All parents and community members are welcome to attend.

Presentation Assembly - Our annual Presentation Assembly will be on Thursday 13 December from 9:30am in the school hall. Students who are receiving an award will be provided with an invitation. All parents and community members are welcome to attend.

Staff Development Days – As you are aware, school staff are required to participate in professional learning sessions throughout the year. The first day of the school term in terms 1, 2 and 3 is also set aside for staff development days, as well as the final two days of term 4. This year, staff at Penrith PS will be completing additional professional learning after school hours, which will replace the staff development days on Thursday 20 and Friday 21 December.

The last day of school for STUDENTS AND STAFF for 2018 will be Wednesday 19 December.
The school will be closed for the summer holidays after that time.

Have a great week

Warm regards

Chantal Beltran
Principal

Swim Scheme 2018

More than 80 students participated in the School Swimming and Water Safety Program this year. The 10 day program educates students on water awareness, survival and rescue skills. Many students strengthened and improved their confidence in the water. It was a fun time in and around the water.
