The Skool Loop App

Here's some tips to ensure you receive notices and push notifications

- When you download the Skool Loop App you will be asked if you would like notifications please **tap yes**. Some devices don't ask this question and automatically tick yes for you. This can be changed in your settings
- If your notifications are turned off in your device settings, some phones apply that to all apps when downloading. In the phone settings please make sure your notifications are turned on
- Check your App Store or Google Play regularly for any outstanding updates
- There are 2 different notices school will send out: **push notification** (banner and ding) or a **notice** (visual alert only)
- You will only receive a push notification if you are not using the app at the time
- If your volume is off you will not hear an alert
- You will see a visual alert if a **notice** has been posted. You will not hear a ding
- You will only hear a ding if the school sends a **push notification**.

Downloading the Skool Loop app - a step by step guide

Once you have downloaded the Skool Loop App, via either your Google Play or App store, please follow the below instructions to select your school -

- Open the Skool Loop App - you will land on a welcome page.
- Click the 'Select your schools' this will bring you to a menu you can either search your school or follow the country/region prompts.
- Once you reach your school, select it with the tick on the righthand side.
- Tap the 'select schools' button in the top right corner.
- Tap the big orange choose button. This will load your school and bring you to the settings page.
- Subscribe to the groups that are relevant to you, then click the 'go back' button on your phone, which will bring you to the main screen of your schools app.

ACTIVITIES IN TERM THREE

Unfortunately we have had to cancel our School Athletics carnival due to the ongoing COVID situation. We will endeavour to hold all events at school as soon as possible.

Another whole school activity that we will hold at school as soon as possible will be our Peer Support Program. This program focuses on student's social development and gives Stage 3 students a tremendous leadership opportunity.

On another matter, our Stage 2 and 3 Spelling bee will be completed at an appropriate time when full school activities can be resumed.

Thank you

Dear families,

Camp Australia (OSHC) thank you all for a wonderful response for our first Rocketeer club. We hope that children might have had a wonderful time, made new friends at our service while exploring various skills and activities. This is the best age for children to learn, explore and engage in various environmental understandings which are positively driven towards team work, resilience, respecting others and understanding human emotions. We with school try to put our best efforts towards that. We wish all the children a great term ahead.

Thank you,
