Principal's Message

Dear parents and carers

It is hard to believe that this is our second last newsletter for 2023!

Staff Development Days and Students' Final Day of School - As you are aware, school staff are required to participate in professional learning sessions throughout the year. This year staff at Penrith PS have engaged in additional 'twilight' professional learning modules to replace the final staff development day on Tuesday, 19 December. Therefore the final day for all staff will be Monday 18 December. This does not impact students, as their final day remains Friday 15 December. There will be no staff on site after 3:15pm on Monday 18 December.

Piano available - A piano is available to a good home if there is a member of the community who wishes to arrange for collection. It is well-loved and will need tuning. Please contact the school office to arrange pick up.

Gold Assembly - House captains/Vice Captains and Student Councillors will be announced at our 3-6 Gold Assembly. This will be held on 11:30am on Friday 8 December. K-2 Gold Assembly will take place at 9:30am on Friday 8 December as well. Gold assemblies will be in the school hall. Invitations were sent out last week.

Presentation Day - Our annual presentation assembly will be held on Tuesday 12 December at 1pm. The ceremony will take place at Penrith Selective High School and will be limited to two guests per award recipient, due to the limited availability of seating. Invitations will be sent out to award recipients this week. We look forward to recognising the achievements of our students and announcing our incoming school captains on this day.

Staff vs Students Sporting Day - A massive thank you to Mr Purse for organising our competitive and very friendly students vs staff sporting matches last week. Everyone had a great time and it was great to see students from kindergarten to year six cheering on students and staff alike! A great display of sportsmanship and school spirit!

Living Wall - Over the past 18 months Mrs Lindsay and a small group of Year 5 students have been working collaboratively with Penrith City Council on the Soper Place Living Wall beautification project. As part of the project Penrith City Council has donated and installed a living wall feature that will become a space for photo moments and living art. The wall is made up of several panels that have a variety of plants that are suited to the partly shaded spot in which it was installed. We are in the process of installing decorated pavers that the students of 3/4R made and some additional garden beds to create a new inviting space for our school community. I am sure you will enjoy using this space to capture photo memories after assemblies and award events.

Warm regards

Chantal Beltran
