9 February 2022

Dear Parent / Carers

This year, all students at Penrith Public School will be participating in gardening and cooking lessons whilst gaining knowledge, understanding and skills relating to the United Nations Sustainability Goals.

The program addresses various aspects of the curriculum, with a focus on 'paddock to plate' theory. All food consumed will be vegetarian-based, with specified allergies catered for. Students will be trained on the safe and appropriate use of gardening and kitchen tools, including graters, scissors and knives under supervision. This activity has the approval of the principal.

To cover the costs of the program, the fee for the year will be **\$10 per student**. Ensure you check our school Facebook page regularly to see the exciting learning opportunities that the students will be participating in, including recipes for them to recreate at home for you.

**In order for your child to participate, please return the completed permission slip below and make payment online by 18 February 2022.** Please also outline any allergies and dietary requirements.

Kind Regards,

Mrs Lindsay  
Kitchen Garden Specialist Teacher

## To Penrith Public School

I give permission for my child \_\_\_\_\_ of class \_\_\_\_\_ to participate in the Kitchen Garden program. I give consent for this child to use gardening tools and cooking equipment, including knives, under supervision.

I have paid \$10 online
